From the Kitchen

I wanted to include a note in this newsletter to say a goodbye to my friends at the Country Club. Wednesday February 1st is my last day, as most of you know. I have enjoyed working here, and I am proud of what we have accomplished in such a short time. I have left behind a good crew in the kitchen. It is my wish that you continue to give them your support.

Thanks to Stacey for making this year enjoyable. I admire your tenacity and your work ethic. Thanks to my kitchen crew and the rest of the staff for thousands of smiles and laughs during a lot of hard work. You make this place run.

Dining is such a huge part of the Country Club - without it you would have just another golf course. It allows friends and family to gather over a good meal. My best memories of this place will be looking out into the dining room and banquet room, and hearing the laughter and conversation over the tinkling of dishes. It is a happy noise.

All the best to you. I am grateful for your support and for your kindness. I am happy that Emporia is a small enough place that I can count on running into most of you around town.

Cheers,
Judy Lohmeyer

Manager's Corner

It seems things are always changing around here...even the weather has been extremely unusual this year!! As you probably already know, Judy is leaving her position at the Club. I will miss her tremendously. Her knowledge and creative ideas were instrumental in the Club having a successful dining operation last year. We will go on...Janelle and her staff are prepared to step up and take on the extra responsibilities created with Judy's absence.

We are in the process of hiring a golf course superintendent. My goal is to have someone in place by mid-March. You may have noticed during the past several days that Ty and Kody, our part-time grounds crew, have been out watering the greens. We have brought the irrigation system back up as we can't seem to get any form of moisture from Mother Nature. Hopefully, we will get some precipitation this weekend...at least it's in the forecast anyway. Please remember to keep your golf carts off the fairways. We don't want any damage done to the Bermuda while it is dormant.

Be sure to check the ECC February calendar. We have added a "Supper Club" on Thursdays this month. We will be open in the dining room every Thursday night from 5:30 to 8 pm. The kitchen staff will feature a dinner special with a limited menu for the evening. These specials will change weekly so watch your email for details. Please note that the mixed bar and grill will close at 5:30 on Thursdays as all dining will take place upstairs. We hope to move more of the dining up to the dining room area.

Charles Bradbury has offered to volunteer a great deal of his time to do some golf pro duties. He will be our Golf Manager this year and is anxious to help our golfers any way he can. He is stocking limited equipment and supplies in the pro shop. He will be setting up the tournament schedule and running leagues. He has even agreed to oversee the driving range as well as monitor green fees and cart rental. Please take time to thank Charles for his efforts in helping with the our golfing operation. I couldn't do it without him!!

Please plan to attend our Annual Meeting on Monday, February 20th. This is a great opportunity for you to hear from the Board about Club operations and get an update about our current membership drive. Jim Kessler, Bobbi Sauder, Jerry Olmsted and the membership committee are actively working on the drive. They can always use your help. Please contact the Club or the membership committee for more information. Details about the drive and applications are available outside the Club office.

As always, thank you for your continued support of the Club. Without our members, I wouldn't be here. See you up here soon!

Stacey

Please join us for **Birthday Night** on
Friday, February 10th.

Anniversary Night is Friday, February 24th.

February Birthdays
