

Emporia Country Club CHRONICLES

April 2020

From the President

In the words of A Grateful Dead, "Lately it occurs to me, what a long strange trip it's been."

This pandemic period has been something new for all of us. We have strived to keep the club's services available to our members to the best of our abilities and capabilities.

Our staff has been greatly reduced to essential staff only, our hours of lunch and dinner have been reduced and our golf course rules have changed.

Nevertheless, our membership & staff have still stepped up. Our Food & Beverage have been busy making Take & Bake casseroles and doing curbside pickup and delivery. If you are hungry, please give them a call at 620-342-0343.

The new golf rules are something we should all be able to follow during these times and hopefully very soon we will be able to go back to "normal"

Our membership also really has stepped up for Chris Herrig and his family. As you may well know, their new son Wyatt is going through some medical issues since his birth last week and we have raised a substantial amount of money for Wyatt and his family. Thanks to all who donated. These are the types of things that make us all proud to be part of the ECC.

I also wanted to take this time to thank Kaylee Kemery for all she did for our club. Since ESU cancelled her lab classes, she has moved on to Colorado with Quinn and is continuing her education remotely from there. She really stepped it up during her time with the Club. Some big shoes to fill, but Kati Beatty is now in that roll and I have the utmost confidence that she will succeed.

If you have questions, concerns, or comments, please let Kati, Chris, Shane, or any board member know.

A Big Social Distancing Cheers,
Erren Harter
Club President

A note to the Members;

Members of Emporia Country Club,

I am excited to announce that I will be taking on the role of Clubhouse Manger. I know that my time in the kitchen was short, however, this is what the Club is in need of. I still love the culinary side of this industry, but what is important to me, is the hospitality side! This is the side that I get to talk and interact with you! I am dedicated to this Club, and very passionate about the members and their happiness... again, that's you! I am looking forward to bettering this Country Club with you, and for you. From getting to drive my Grandpa's golf cart around the course when I was little, to lifeguarding, then Executive Chef, and now Clubhouse Manager, I am proud to be a part of this Country Club!

I am happy to serve you,

Kati Beatty

A Note from the *Chef...*

Hello everyone,

I hope everyone is staying happy and healthy while stuck inside. We, here at the Club, appreciate your understanding and support during these trying times.

We will still be doing curbside service for the foreseeable future, until we have been given the all clear from the state.

Our Take and Bake casseroles have been a big hit, so we will keep rolling those out, during the quarantine. We will also be offering an Easter Feast To Go!

Any feedback you have is always appreciated. Thank you again, for your support!
