# EVENTS AT EMPORIA COUNTRY CLUB

## Emporia Country Club Tipping Policy

Emporia Country Club compensates our food servers and bartenders by utilizing a tip credit against their minimum wage. The tips that you provide to the staff are 100% theirs and is distributed to the staff through the biweekly payroll. Their tips are a big part of the compensation that they receive at the Club.

Following is additional information regarding the tip policy at the Club:

Because this is an actual tip, what you leave as a tip is at your personal discretion. When you are signing your ticket please designate on the ticket the tip amount that you would like to leave the server or if you prefer you may leave cash. If you leave cash please designate on your ticket "cash" for the tip. In the event no tip is designated, as a courtesy to our members the Club will add a 15% tip to the ticket for you.
