

Emporia Country Club CHRONICLES

July 2020

From the President

Good Morning Emporia Country Club,

Please notice a few little things to keep the Club looking nice. The front entrance has been painted. Weeds were pulled in some of the flower gardens.

Little things but important. Your Club Directors have been working on some water leaks at the pool. It is open. Please come enjoy and note the activities on Independence Day. We are still working on refinancing our Bank loan for a lower interest rate. We continue to monitor the budget. With the Payroll Protection Pans help, it appears we will cash flow this year. We will not show a profit, and definitely need your support and member acquisition. Stay safe and stay healthy.

Thank You,

Jim Shepherd

A Note from the General Manager

Hello all,

I would like to start by thanking all of the members who participated in the Member Guest Tournament, it was a great turn out.

ECC grounds staff along with Oak Golf staff planted Zenith Zoysia on June 15th, We should start seeing Germination in the near future.

The month of July will bring our annual Pool party/4th of July bash at the club, The Clubs and Coolers Golf Tournament on July 4th and The Longbine Tournament on July 26th.

I appreciate all of the support the members have shown the club and look forward to seeing everyone at the club.

Have a great month

A Note from the *Chef...*

Happy Fourth of July everyone,

Where does the time go? I can't believe it's already July and half the summer is gone. Time really does fly when you're having fun. Hopefully we are almost in the clear from Covid-19 and will be back in the full swing of things soon. Until then, we here in 1801 will be continuing to follow all safety precautions to keep both our members and staff safe and healthy.

I will be rolling out a new menu on the seventh of July bringing back some of the past favorites such as the pesto chicken sandwich, the salmon blt and the ultimate blt just to name a few. I'm also trying ribeye steaks in place of K.C. strips just to change up our protein options.

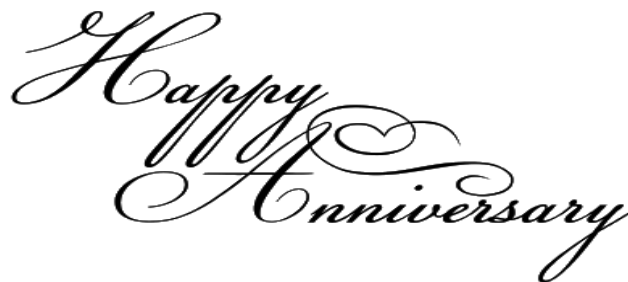

I would like to thank Mr. and Mrs. Sauder, Mr. and Mrs. Watts and Mr. and Mrs. Bayer for helping make the Steak Au Poivre a huge hit. It's been fun trying something new and I've really appreciated the feed back I've gotten on it.

If there is anything that you'd like to see on the new menu or any other questions or concerns please feel free to contact me and I'd be glad to help in any way I can.

Looking forward to seeing and serving you soon
