State of the Club

March 2, 2022

The past few years have posed numerous challenges to individuals, families, schools, small businesses and virtually everyone's day-to-day life. ECC is not immune to these same challenges. The cash position remains tight, which is why all stakeholders discussed revenue opportunities such as dues increases, food and beverage minimums, and direct fundraising from members. Please let me be clear, we had a discussion about revenue opportunities. No action was taken.

Other topics of discussion were:

- 2021 Financials
- Update on the golf course
- Reinstituting the Past President's Council

The board would like to help members become more involved in the activities and direction of the club. In short, the board wants the members voices to be heard. One of the best ways to be involved and have your voice heard is to join a committee. Current committees of ECC are:

- Social Committee
- Golf Committee
- Finance Committee (Usually attended by the treasurer, vice president, and president)
- Other possible committees include: Membership Committee, Newsletter Committee, Grounds Committee, and planning committee.

If you wish to participate in a committee, please email: emporiacc1801@gmail.com

Again, thanks for your continued support and loyalty to ECC. Welcome to the new board members! The board and staff are committed to adding value to your membership; that is our primary focus of 2022.

We hope to see you around ECC this spring whether it is dining in 1801, golfing, attending one of our social events, or at a committee meeting. Please continue to read your emails from ECC.

Respectfully,
Luke Arndt-President

A Note from the General Manager

Hello All,

March is the month for our fairway, tee box and rough herbicide applications. Signs will be placed on #1 tee and #4 tee on days we will be spraying these areas. Please make sure to check in at 1801 for any special cart rules for the course on days the signs are up.

The Emporia High School and Emporia Middle School golf teams will be practicing at the course starting this month. The High School will be practicing Mondays at 3:30 and the Middle School will be practicing Monday-Friday at 3:30.

Be on the look out for emails concerning cart restrictions due to weather and/or chemical applications.

Golf Course Superintendent
