From the President

Happy New Year! We selected Compton Construction from Wichita to perform the renovation work in the downstairs area. Muckenthaler's was selected to provide the kitchen equipment. For the renovation work we received three bids with all bids above our estimates. Based on the bid documents, we worked with the low bidder and Dave Emig to value engineer the project to reduce the costs while maintaining the integrity of the project. For the kitchen equipment, we received four bids, two of which did not meet the bid criteria and were disqualified. Muckenthaler's was the low bidder, and we also worked with them to reduce the costs of their bid. Even though the final numbers from the two bids were higher than we had planned, the project will cash flow due to the investments of our members. Work on this project has begun.

December was a busy month for the club with 50 different events, which is over 20% greater than last year's number of events. We owe special thanks to Don and our entire staff for their work, long hours, and good service to our members and guests. We had numerous compliments on the quality of the food and service.

As we move forward into 2018, retaining members and adding new members is critical to our success. Each of us, as members, has a responsibility to help grow our membership. Your help in inviting your friends to become a club member is a good first step. If you need a new member packet, please see Don Schrack. Our club has a lot to offer with good food and hospitality, golf, disc golf, the pool, and other activities. Our goal is to increase the value you have in being a member of the Emporia Country Club.

Remember the club's annual meeting is scheduled for Monday, February 5. We encourage all members to attend.

WE NEED YOUR HELP FROST DELAY POLICY

When frost is present we will delay play until the frost has melted. This is done to prevent damage that affects the quality of turf on the golf course. Walking or driving on grass with frost will significantly damage the turf. Please paste the following link into your web browser to understand what frost damage can do to the golf course.

GO GREEN

There are many ways to enjoy your Club & help the environment. Sign up for paperless billing.

From the General Manager

Dear Members,

Happy New Year! I am hopeful that you and your family had a joyous Christmas and a festive New Year.

The Club will re-open for lunch and dinner service on Friday, January 5th. Lunch and dinner service is available Tuesday through Friday in the Main Dining Room and East Bar. Please contact the Club for reservations. During January the Club will be closed on Saturday and Sunday except for special events, please refer to the calendar and newsletter for scheduled events. If the weather improves and the course is playable we may adjust Saturday hours during January.

If business and or weather conditions warrant we may adjust hours to control costs. In some instances we may close earlier than the times posted, please contact the Club at 342-0343 for more information. Reservations for lunch and dinner are greatly appreciated and assist us with planning and staffing.

Tuesday through Friday we are offering Happy Hour in the Fireplace Lounge and East Bar with drink and appetizer specials from 4:00 pm to 6:00 pm. The big screen television has been set up in the Fireplace Lounge and the East Bar has a television as well.

On December 20th demolition of the Mixed Bar and Grill began and work is progressing very quickly. We are going to start taking photos of the progress of the work and posting them on Facebook and the website for your information. Access to the lower level has been restricted for safety and to control dust. Sara Bashaw is in her office on the lower level. You may access her office from the entrance on the East side of the building.

At our meetings, we keep talking about the new "Full-Service Restaurant and Bar" with NO NAME . To help the Club I am announcing the **Name the Restaurant Competition** beginning in January 2018. Please forward your suggestions to gm@emporiacc.org along with your name. The competition will close on February 13, 2018, and the names will be submitted to the Board of Directors on February 27 , 2018. **The individual who submits the winning name will receive a \$100 Food and Beverage Gift Certificate.**

We have moved the pro shop counter to the lobby upstairs and we are setting up cash register in the Lobby to assist with golf and pro shop charges. Buckets of range balls will be kept in the pro shop counter for your convenience. The sign-in podium is set up in the front entrance foyer along with water service. Meal and beverage service will be available in Main Dining Room or East Bar. Your assistance with these temporary arrangements will be greatly appreciated.

Did you know that as a member you can sponsor friends, organizations or other businesses to use the Club's banquet facility? In the last year, the Club has been very successful at sponsoring a number of events like birthday parties, baby showers, wedding receptions, business meetings, organization luncheons and many more. The Club provides outstanding food, great service and a great environment for any type of event. Please consider sponsoring a banquet event at the Club.

Your support of the Club is greatly appreciated. Please contact me at 620-342-0343 or at gm@emporiacc.org if I may assist you.

Thank you,
Donald Schrack
General Manager
