GO GREEN

There are many ways to enjoy your Club & help the environment. Sign up for paperless billing.

From the President

As we approach a new year, we completed the transition from Stacey Clodfelter to Don Schrack, as our general manager. Stacey has helped stabilize our financial situation at the club, and we expect Don to help further grow the club in the future. December was a good month with a large number of parties. At our December board meeting, we approved the purchase of a fairway mower and a utility vehicle. We also discussed a repair to the pool where concrete was used to seal a leak in the drain pipe. We have made a number of positive changes to the club this year and plan to continue these efforts in 2016. You can help us in several ways. One way is to consider serving on one of the club's committees, and another way is to invite your friends to join the club. On behalf of the board of directors, I extend a special thanks to our members and our staff for making 2015 a good year for the Emporia Country Club. Remember the annual meeting is scheduled for Monday night, February 22nd.

Bill Barnes

From the General Manager

Dear Members,

I want to thank those who took the opportunity to join Chris and I at the welcome reception and meet both of us. More importantly, to honor Stacey for the outstanding job she has done guiding the Club.

The following projects and events are currently in the works:

1. Member/Spouse profile mailed with the December Statements. Follow-up will be done in the January Statements. Please complete this information it will help the success of our future communications with you.
2. An electronic survey will be forwarded early in January 2016, this survey is **important to develop the Club's strategic plans. We are asking you and your spouse to complete the survey by January 31, 2016.**
3. Working with Janelle and A.J. we are developing new lunch and dinner menus for the Mixed Bar and Grille and a new dinner menu for dining on Thursdays and Fridays in the Main Dining Room.
4. Our newsletter format will be changing, with two months of activities being listed to give you advance information about Club activities.
5. The Club will be offering a Family Night Buffet once a month featuring themed food, beer, wine and cocktail selections and special activities in the Mixed Bar and Grill for the kids.
6. Special Sunday Brunches during the non-golf season months.

Your assistance with our projects and your attendance at the upcoming events will be greatly appreciated. Please contact me with any suggestions or comments you have to help us better serve you.

Sincerely,
Don Schrack
